

EAST COAST ASIAN DOG RESCUE, INC.

ADOPTION APPLICATION

Applicant must be 21 years of age or older and the primary individual responsible for the dog.

NOTE: Due to the volatile price of gas, getting multiple volunteers to help with long distance transporting is no longer feasible. We have listed the town and state where each dog is being fostered. Please consider how far you are willing to travel when filling out the application. The foster home will usually volunteer to help with transport for a reasonable distance.
