EAST COAST ASIAN DOG RESCUE, INC.
MEMBERSHIP APPLICATION

Thank you for your interest in [East Coast Asian Dog Rescue, Inc.](http://www.asian-dog-rescue.org) and getting this far! We are actively seeking members who love the Asian dog breeds and want to dedicate some time (and/or finances!) to help the ones who have been abandoned or abused through no fault of their own!

Although ACTIVE participation is not a necessary requirement for membership to the organization, we believe that your interest goes further than just to sit at your computer and read e-mails! We believe that you actually want to do something to help us help the dogs. That is why we are going to ask you a few questions regarding the reason(s) why you are filling out this application and what your areas of expertise may be that can be useful to the goals of [E.C.A.D.R., Inc.](http://www.asian-dog-rescue.org)
